Dear Mr Weisberg

I am a lecturer at a local college and have recently begun research into the assassination of President John F Kennedy. In my initial reading, I have come across many references to your work. Unfortunately, I seem to be unable to obtain copies of these in the U.K. I wonder, therefore, if you could inform me on the availability of your books.

I would also welcome the opportunity to make use of your expertise in this area, if you would be kind enough to assist me with my research.

I look forward to hearing from you soon.

Yours sincerely

G.J. Quinn.
